Sign out of iCloud on your Mac

iCloud · https://cleversupport.ca/docs/icloud/sign-out-of-icloud-on-your-mac/

Sign out on your Mac

1. Choose Apple menu > System Preferences.
2. Click Apple ID, then click Overview. If you use macOS High Sierra or earlier, click iCloud.
3. Click Sign Out.

4. If you want to a keep a copy of your iCloud data on your Mac before you sign out, make sure that you select the appropriate checkboxes. Then click Keep a Copy.

5. If you want to keep a copy of your Safari passwords on your Mac, click Keep on This Mac.
