Use text or visual alternative to sounds – Microsoft Support

Windows 11 · https://cleversupport.ca/docs/windows-11/use-text-or-visual-alternative-to-sounds-microsoft-support/

Windows 11

1. Select (Start) > **Settings** > **Accessibility** > **Audio**.
2. Expand the **Flash my screen during audio notifications** dropdown menu and select the option you want.

Go to audio settings
